

## **Open access**

### *Open access policy*

*Studies in Teaching and Education* is published under an Open Access license. All its content is available free of charge. Users can read, download, copy, distribute, print, search the full text of articles, as well as to establish HTML links to them, without having to seek the consent of the author or publisher.

The right to use content without consent does not release the users from the obligation to give the credit to the journal and its content in a manner described under Licensing.

### *Archiving digital version*

In accordance with law, digital copies of all published volumes are archived in the legal deposit library of the National Library of Serbia and concurrently in the Repository of SCIndeks - The Serbian Citation Index as the primary full text database.

### *Article processing charge*

*Studies in Teaching and Education* does not charge authors or any third party for publication. Both manuscript submission and processing services, and article publishing services are free of charge. There are no hidden costs whatsoever.
